Answer

MINISTER FOR RURAL DEVELOPMENT (SHRI M. VENKAIAH NAIDU)

(a) to (h): A statement is laid on the Table of the House.

STATEMENT AS REFERRED TO IN REPLY TO LOK SABHA STARRED QUESTION No. 521 TO BE ANSWERED ON 24.4.2001

(a) & (b): The restructured Central Rural Sanitation Programme (CRSP), which came into effect from 1st April, 1999, moves away from the principle of State-wise allocation, to a demand based district wise campaign oriented approach in a phased manner. In view of this, no annual targets for construction of individual household latrines were fixed during 1999-2000. As per available information from the States/Union Territories, 5.76 lakh latrines for individual households below poverty line were constructed under CRSP during 1999-2000.

(c) The statement indicating the funds released during 1999-2000, Statewise, is at Annexure-I.

(d) to (h): School Sanitation is an integral part of the Total Sanitation Campaign under CRSP. For providing sanitary toilets in the schools, upto Rs.20,000 is allowed which is shared by the Government of India, State Government and the School authorities/ Parent Teacher Association in the ratio of 6:3:1. The Total Sanitation Campaign is presently being implemented in 150 identified districts of the country out of which project proposals from 85 districts have been sanctioned till yet, which include 90,802 school toilets.
